

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa1325/1dn  
MDK:cjs:kjf

February 8, 2000

Representative Wasserman:

The material on page 2, lines 1 to 12, is deleted because it is no longer necessary. In addition, the material on page 3, lines 18 and 19, is deleted because a comparable provision already exists in s. 100.207 (5), stats., which provides that section 100.207 applies "to any practice directed to any person in this state". Finally, because the operative provision is being moved to s. 100.207, stats., the amendment adds definitions of "interlata", "intralata" and "telecommunications provider" in proposed s. 100.207 (3m).

A comparable amendment for Assembly Bill 509 will be available soon.
