1999 BILL

Regen

1 AN ACT *to create* 106.01 (11) of the statutes; **relating to:** apprenticeship training
2 and making appropriations.

Analysis by the Legislative Reference Bureau

Under current law, the department of workforce development (DWD) may determine reasonable apprenticeship classifications, promulgate rules, issue general or special orders, hold hearings, make findings and render orders as necessary to oversee the apprenticeship programs provided in this state.

This bill directs DWD to provide a trade masters pilot program to recognize advanced training and post-apprenticeship achievements in three trades, crafts or businesses, one of which must be in the industrial sector, one in the construction sector and one in the service sector of the economy. In addition, the bill provides funding for the provision of that program and for promotional materials directed at encouraging youth to participate in apprenticeship programs. Finally, the bill requires DWD to submit to the legislature, by July 1, 2003, an evaluation of the effectiveness of the trade masters pilot program in producing workers with advanced skills beyond the apprentice level.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1. **JACKET** the draft for introduction _____

in the **Senate** _____ or the **Assembly** _____ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
