~~PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION~~

*gen

1 AN ACT...; relating to: the duty of a vehicle registrant to notify the department
2 of transportation of any change to the registrant's name or address.

ten
Analysis by the Legislative Reference Bureau

Current law requires a vehicle registrant to notify the department of transportation (DOT) of any change to the person's name or address. The person must provide the notice within ~~10~~ days after the change and must include the old and new address or name, or both, and all registration plate numbers held. A person who fails to provide such notice in a timely manner may be required to forfeit not more than \$50. Current law also requires DOT to provide certain notices (including orders suspending a person's vehicle registration, service of legal process and applications for vehicle registration renewal) to a vehicle registrant at that person's last-known address. *bill*

This ~~draft~~ repeals the requirement that a person who has registered a vehicle in this state notify DOT of any address or name change. However, a person who holds an operator's license issued by this state remains obligated to provide DOT with written notice of any address or name change.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
