Wisconsin Senate Assistant Republican Leader
Senator Brian D. Rude

MEMO TO: LRB
FROM: SENATOR BRIAN RUDE
DATE: AUGUST 25, 1999
RE: BILL DRAFT REQUEST

Following is language we had drafted by the LFB for inclusion in the current state budget. The language was not included during legislative debate. As a result, we would like this drafted for introduction as separate legislation.

“Move to amend the 1999-01 state budget to specify that the Building Commission could not issue bonds for state building program projects for state agencies that do not comply with the current law requirement for long-range planning relating to properties listed on the historic register each two years as part of the long-range building program.”

We would like an effective date 12 months after passage of the legislation.

The long-range plan provision is found in 44.41(1).

Please call Ken Machtan in my office if you have any questions with this request.
