

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1289/2dn
MJL:wlj:km

February 7, 2000

At the request of Russ Whitesel, I have redrafted this amendment to require the Foundation to award grants in consultation with individuals identified by DPI. I understand that DPI intends to identify individuals who currently serve on a committee with no formal ties to DPI. Because these individuals are not appointed to a DPI committee, it does not make sense to refer to a committee in the bill.
