Gordon,

These motions to AB 731 and SB 315 were adopted today by JFC. The Committee also passed a motion to roll these two amendments into a new substitute amendment for both bills.

The Committee indicated that they are hoping to have the subs reported out this afternoon, so this should be considered a rush.

For motion #54, Joanne Simpson indicated that all that needs to be changed is to delete lines 3-9 on page 5 of the bills.

For motion #60, modify current law s. 46.515 (2) to specify that the grant amount is based that county or tribe's number of MA-funded births in the proportion to the number of MA-funded births "in all of the counties and the reservations of all of the Indian tribes to which grants are initially awarded for the same time period under this section." This language may not be correct, so please call me on this one so I can explain to you what they are trying to get at here. Thanks.

**SENATE BILL 315
ASSEMBLY BILL 731****Child Abuse and Neglect Prevention Program****Motion:**

Move to delete \$2,158,000 in 2000-01 from the appropriation under the Department of Workforce Development (DWD) for the federal temporary assistance to needy families (TANF) block grant aids [20.445 (3) (md)]. Instead require that the child abuse and neglect prevention program be funded with federal TANF funds that have been appropriated to DWD, but placed in unallotted reserve.

Note:

The bills would increase DWD's federal block grant aids appropriation by \$2,158,000 in 2000-01 for the child abuse and neglect prevention grants. Currently, the unappropriated TANF balance is estimated to be \$2,172,200 at the end of the 1999-01 biennium. In addition to these unappropriated TANF funds, \$5,700,000 (\$2,450,000 in 1999-00 and \$3,250,000 in 2000-01) in federal TANF funding has been appropriated to DWD, but placed in unallotted reserve. This resulted from a number of partial vetoes by the Governor in 1999 Wisconsin Act 9 (the 1999-01 biennial budget act), which eliminated the statutory allocations of funding for several programs, but did not reduce the amounts appropriated to DWD.

This motion would maintain the statutory allocation of funding of \$2,158,000 in 2000-01 for the child abuse and neglect prevention program, but would delete the increase in DWD's appropriation by \$2,158,000. Instead, this motion would require that the \$2,158,000 amount be funded from the unallotted reserve balance.

[Change to Bill: -\$2,158,000 FED]

Delete lines 3-9, page 5.

Motion #54

Representative Rilcy

CHILD ABUSE AND NEGLECT PREVENTION**SB 315 and AB 731****Motion:**

Move to specify that the formula for determining any grant amount provided under the program would be based on each county or tribe's proportion of births funded by medical assistance (MA) in proportion to the total number of MA-funded births in the counties and tribes selected to participate in the program in the grant cycle in which the county or tribe is selected.

Note:

This motion would modify current law to specify that the formula used to determine a grant amount would be based only on the percentage of MA-funded births in the counties and tribes selected to participate within the grant cycle in which the county or tribe is selected. As a result, the grant amounts for current grant recipients would not be affected by the addition of more counties and tribes participating in the program, as provided in the bills.

1 AN ACT to amend 20.435 (3) (km), 46.515 (2), 46.515 (3) (a) and 46.515 (4) (a) 4m.;
2 and to create 49.175 (1) (ze) 11. and 49.175 (1) (ze) 12. of the statutes; relating
3 to child abuse and neglect prevention and making appropriations.

Analysis by the Legislative Reference Bureau

Under current law, the department of health and family services (DHFS) administers a child abuse and neglect prevention program under which DHFS awards grants to counties and Indian tribes that offer home visitation services to first-time parents who are eligible for medical assistance and that offer services to families that have been the subject of a child abuse or neglect report, or that have requested services to prevent child abuse or neglect, and that are at substantial risk of future child abuse or neglect, are willing to cooperate with an informal plan of support and services and are not likely to be the subject of a formal child in need of protection or services proceeding. Currently, no more than six rural counties, three urban counties and two Indian tribes may be selected to participate in the program. This bill authorizes no more than 20 rural counties, nine urban counties and five Indian tribes to participate in the program and provides additional funding for that program expansion.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
