- 1 **AN ACT to amend** 7.60 (2) of the statutes; **relating to:** the composition of county
2 boards of canvassers in certain counties.

Analysis by the Legislative Reference Bureau

Currently, a board of canvassers in each county canvasses elections for county, state and national offices, county and state referenda and certain other elections and referenda. The board consists of the county clerk and two other qualified electors of the county appointed by the clerk, except that in counties having a population of 500,000 or more the board of election commissioners serves as the board of canvassers. No person may serve as a member of a board of canvassers if the person is a candidate for an office to be canvassed by that board. If the county clerk's office is vacant or if the clerk cannot perform his or her duties, the county executive or, if there is no county executive, the chairperson of the county board of supervisors designates another qualified elector of the county to serve. Also, under current law, every county clerk is required to appoint one or more deputies.

Under the bill, the county clerk must designate a deputy clerk to perform his or her duties on the board of canvassers in the event that the county clerk's office is vacant, the clerk cannot perform his or her duties, or the clerk is a candidate at an election being canvassed. If the county clerk and the designated deputy clerk are both unable to perform their duties, the county executive or chairperson of the county

board of supervisors must designate another qualified elector to serve, as currently provided.
