**Assumptions Used in Arriving at Fiscal Estimate**

This bill creates new crimes related to anhydrous ammonia. Because this bill creates new crimes, it's likely that the State Public Defender's Office will handle additional cases, thus increasing the agency's costs. Because it is presently unknown how many people would be charged with these new crimes and, of those who are charged, how many would qualify for SPD assistance, the agency cannot estimate the costs at this time.

**Long-Range Fiscal Implications**

Indeterminate at this time. Agency will monitor fiscal effect of this bill, if enacted, for future budget considerations.
