

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1603/2dn
TAY:jlg:kjf

December 22, 1999

Please review the nonstatutory provision of this draft carefully to ensure that it is consistent with your intent. Although Jon Janowski specified that a deadline for rule promulgation would be desirable, he did not specify what date. Therefore, I randomly chose the date of October 1, 2000. I believe that this would provide sufficient time to convene a committee and to promulgate rules. If you would prefer another date, however, please let me know.
