December 9, 1999

This draft is based on the provision that was vetoed out of the biennial budget act (1999 Wisconsin Act 9). I made a few minor changes in language for purposes of clarity. I also significantly revised proposed s. 165.842 (4) (a) to state more precisely what an analysis of the information collected should be looking for. Please review that language carefully to make sure that it does what you want it to do.
