1999 BILL

1 **AN ACT** *to consolidate, renumber and amend* 289.645 (3) (intro.) and (a) of the
2 statutes; **relating to:** increasing the recycling fee imposed on the disposal of
3 solid waste.

Analysis by the Legislative Reference Bureau

Current law imposes a recycling fee of 30 cents per ton for solid waste, other than certain kinds of high-volume industrial waste, disposed of at a landfill or other waste disposal facility. This type of fee is often called a tipping fee. The recycling fee is deposited in the recycling fund.

This bill increases the recycling fee to \$2.00 per ton.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 SECTION 1. 289.645 (3) (intro.) and (a) of the statutes, as created by 1999
5 Wisconsin Act 9, are consolidated, renumbered 289.645 (3) and amended to read:

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
