Analysis by the Legislative Reference Bureau

EDUCATION

PUBLIC BROADCASTING

educational communications board

Under current law, the following are responsible for providing certain types of public broadcasting in this state: the (ECB), the board of regents of the University of Wisconsin System and the Milwaukee Area Technical College. *Current law allows*

(UW)

This

BILL

~~the ECB to organize and maintain a nonprofit corporation for the exclusive purpose of raising funds to support the ECB's activities. In addition, the ECB may contract with such a corporation for providing administrative services to the corporation. Current law prohibits the corporation from employing staff. In addition, current law requires that, if the corporation acquires any real property, the corporation must donate the property to the state within five years after acquiring the property, unless holding the property for more than five years is approved by the joint committee on finance.~~

~~This bill allows the ECB to organize and maintain a nonprofit corporation for any public broadcasting purpose. In addition, the bill allows the ECB to contract with such a corporation to provide any services to the corporation, not just the administrative services that are allowed under current law. The bill also repeals the prohibition against the corporation's employment of staff and repeals the requirement for the corporation to donate any real property that it acquires to the state. Under the bill, the employees of the nonprofit corporation are covered under the WRS. As participating employees under the WRS, the employees are eligible for insurance benefits provided to state employees who are participating employees under the WRS.~~

In addition, the bill increases the general fund supported bonding authority of the building commission by the following amounts: ~~(\$3,220,800)~~ for a digital television conversion project for the ECB; ~~(\$1,700,000)~~ for a digital television conversion project for the ~~University of Wisconsin~~ System; and ~~(\$3,500,000)~~ for a digital conversion project for the Milwaukee Area Technical College. The bill enumerates the authorization of these projects in the 1999-2001 authorized state building program.

~~Finally, the bill creates a sales tax and use tax exemption for equipment used for transmitting a digital radio or television signal or used for producing programming that is transmitted through such a signal.~~

~~This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.~~

~~This bill will be referred to the joint survey committee on retirement systems for a detailed analysis, which will be printed as an appendix to this bill.~~

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

EDUCATION

PUBLIC BROADCASTING

Under current law, the following are responsible for providing certain types of public broadcasting in this state: the educational communications board (ECB), the board of regents of the University of Wisconsin (UW) System and the Milwaukee Area Technical College. This bill increases the general fund supported bonding authority of the building commission by the following amounts: \$13,220,800 for a digital television conversion project for the ECB; \$1,700,000 for a digital television conversion project for the UW System; and \$3,500,000 for a digital conversion project for the Milwaukee Area Technical College. The bill enumerates the authorization of these projects in the 1999-2001 authorized state building program.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

BILL

1 **SECTION 1.** 13.48 (31) of the statutes is created to read:

2 **13.48 (31) DIGITAL TELEVISION CONVERSION FOR MILWAUKEE AREA TECHNICAL**
