

1999 SENATE BILL 363

February 3, 2000 – Introduced by Senator GROBSCHMIDT, cosponsored by Representative SINICKI. Referred to Health, Utilities, Veterans and Military Affairs.

1 **AN ACT to repeal** 49.45 (47) (d); and **to amend** 49.45 (47) (c) of the statutes;
2 **relating to:** the biennial fee for certification of an adult day care center as a
3 provider of medical assistance.

Analysis by the Legislative Reference Bureau

Under current law, as created in 1999 Wisconsin Act 9 (the biennial budget act), in order to receive reimbursement for services provided to medical assistance recipients, an adult day care center must be certified as a provider of medical assistance by the department of health and family services (DHFS). The biennial fee for the certification is \$89, plus \$17.80 per client, based on the number of clients that the adult day care center is certified to serve. DHFS is authorized to increase this fee by rule.

This bill reduces the biennial fee for medical assistance certification of an adult day care center to \$100, eliminates the per-client fee and eliminates the authority for DHFS to increase the fee by rule.
