### ***Analysis by the Legislative Reference Bureau***

Under current law, the state pays to the parent or guardian of a pupil who attends a private school under the Milwaukee parental choice program (MPCP) the lesser of the amount equal to the private school's operating and debt service cost per pupil that is related to education or the sum of the amount paid per pupil under the MPCP in the previous school year and the amount of revenue increase per pupil allowed in the current school year. State aid to Milwaukee Public Schools (MPS) is reduced by 50% of the amount paid to the parents or guardians; the other 50% of the cost is borne by all other school districts. MPCP pupils are not counted in the enrollment of MPS for state aid purposes.

This bill counts MPCP pupils in the enrollment of MPS for state aid purposes and requires that 100% of the payments to parents and guardians under the MPCP be subtracted from MPS' state aid.

**SENATE BILL 445**

Under current law, the state makes payments to certain charter schools (those established in the city of Milwaukee by the Milwaukee common council, the University of Wisconsin–Milwaukee and the Milwaukee Area Technical College). The general aid of all school districts is reduced proportionately in order to fund these payments. Pupils enrolled in these charter schools are not counted in the enrollment of MPS for state aid purposes.

This bill counts these pupils in the enrollment of MPS for state aid purposes and requires that state aid to MPS be reduced by the entire amount of these payments.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
