## Tradewell, Becky

---

**From:** Wenzel, Bill  
**Sent:** Friday, March 24, 2000 3:50 PM  
**To:** Tradewell, Becky  
**Subject:** Amendments to SB 479 (LRB 3123)

Becky:

Here are the amendments that we are considering to our Healthy Schools bill (SB 479)

1. UW-EX sent over the following request which I will pass along verbatim:

UW-EX SB 479  
Amendments.032300...

2. Require that only active teachers would have to be *notified* in advance of pesticide applications. There was concern that if construed literally it would require notice of teachers on leave.
3. Exempt school districts who do not use pesticides from the quarterly reporting requirements *provided* that the school districts certify that they will not use pesticides in the IPM plan. Reporting would be required if they begin to use pesticides.

Let me know what you think about these.

Thanks,  
Bill
