Jeff,

Please draft this as a Senate Joint Resolution for Senator Clausing. It is to commemorate the 125th Anniversary of UW-River Falls. If possible, we would like to have this ready for the next Senate floor period. Give me a call if you have any questions.

Thanks.

Randy Romanski

P.S. I have attached the 125th resolution information below.

UW-RF 125th Anniversary Joint Resolution

Whereas, in 1874 a State Normal School was established in River Falls to train teachers for the Northwest, making the School the fifth public higher education institution in the new State of Wisconsin; and,

Whereas, through the past 125 years, the University of Wisconsin-River Falls has taken tremendous strides as a comprehensive institution of higher learning to expand its educational offerings to more than 40 undergraduate and graduate programs in education, the sciences, humanities, liberal arts, business and agriculture; and,

Whereas, its student body has expanded from a few hundred men and women attending classes in a single building to now numbering a population of more than 5,600 persons on a campus of 25 buildings; and,

Whereas, the institution's educational and social impact can be measured in the value of its curricular offerings, in its quality teaching, in the significance of its research endeavors, and in the prominence of its outreach and service; and,

Whereas, through the expertise and dedication of its faculty and staff, its colleges and school have gained a select national reputation for excellence; and,

Whereas, the University of Wisconsin-River Falls has welcomed and educated exceptional generations of men and women who, as alumni, have asserted an extraordinary impact on the social, cultural, economic and political life of the State of Wisconsin, the United States of America, and the world;

Therefore, be it resolved that the Wisconsin Legislature commends and congratulates the students, faculty, staff, alumni and friends of the University of Wisconsin-River Falls for their contributions to the quality of life in Wisconsin over the past 125 years, and further that it looks forward with enthusiasm to the University community's future in fulfilling its historic mission of education, research and outreach to the betterment of our State and its people.
