**FRED A. RISSER**  
President  
Wisconsin State Senate

---

To: Peter Dykman  
Legislative Reference Bureau

From: Senator Fred Risser  
President, Wisconsin State Senate

Date: 23 March 2000

RE: Drafting Request

Attached you will find language for a Joint Resolution commending UW Madison Chancellor David Ward. I would like to have this language drafted for introduction in the Senate.

Please contact Sarah Bridgeman in my office if you should have any questions.

Whereas, on January 1, 2001, David Ward will step down as the University of Wisconsin-Madison Chancellor; and

Whereas, David Ward will have served the faculty, staff and students of the University, as well as the citizens of this state, as Chancellor since June 1993, the longest tenure of any current leader of a Big 10 university; and

Whereas, he has devoted nearly 40 years of service to UW-Madison; and

Whereas, under David Ward's leadership, the university has substantially improved undergraduate education through improved advising, stronger core curriculum, and expanded research opportunities for students; and

Whereas, he created and implemented the university's innovative interdisciplinary teaching and research initiative, known as the cluster hiring program, which will bring 150 new faculty to campus by 2003; and

Whereas, he spearheaded the successful public-private partnerships between the State of Wisconsin and the university's alumni and donors for the campus's capital budgets, which have resulted in 57 construction projects on campus for research and instruction, including new buildings such as the Kohl Center and the Biotechnology Center, Pharmacy and Chemistry buildings; and

Whereas, he created a similar partnership for the operating budget, the Madison Initiative, a \$97 million investment that will enable UW-Madison to continue to provide students an outstanding education and to help Wisconsin maintain its competitiveness in the global economy; and

Whereas, during his tenure the university raised \$740 million in private funds, placing UW-Madison number 1 in private support among public universities; and

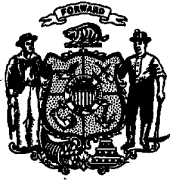

Whereas, he created the Technology Transfer Council to help promote and steer the commercial potential of UW-Madison research discoveries; and

Whereas, he shepherded the rapid growth of the nationally recognized University Research Park, which houses 68 companies that collectively employ more than 2,600 people; and

Whereas, he has reinvigorated the "Wisconsin Idea" by renewing the university's commitment to sharing the resources of the university with the state and the nation; and

Whereas, during his tenure the football team won back-to-back Rose Bowls, an unprecedented feat in the Big 10, and other men and women's athletic teams have enjoyed unparalleled success; now, therefore, be it

Resolved by the senate, the assembly concurring, that the Wisconsin legislature commends and congratulates Chancellor David Ward for his contribution to the University of Wisconsin - Madison and to the state of Wisconsin.
