Statutory Language Proposals

Division: LANDS

Subprograms: WILDLIFE MANAGEMENT

Issue/Topic: WILDLIFE REHABILITATION

Proposed Change: This request would give the Department explicit statutory authority in Chap. 29 to regulate wildlife rehabilitation.

Explanatory Note: The Department has been working with the wildlife rehabilitation community to develop acceptable administrative rules to regulate wildlife rehabilitation activities. The Department has been advised that the statutory authority to promulgate administrative rules is vague, and should be clarified before promulgating rules.

Desired Effective Date: July 1, 1999 or the effective date of the 1999-01 Biennial Budget
