Analysis by the Legislative Reference Bureau

OCCUPATIONAL REGULATION

In its biennial budget request, the department of regulation and licensing (DORL) must recalculate its administrative and enforcement costs attributable to the regulation of each of the occupations and businesses that DORL regulates and, on the basis of these costs, recalculate the fees for initial credentials and for the renewal of credentials already issued. This bill changes the fees for initial and renewal credentials, except for renewal credentials for aesthetics schools, barbering or cosmetology schools, cemetery authorities, cemetery preneed sellers, cemetery salespersons, charitable organizations, electrology instructors, electrology schools and manicuring schools.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

DOA:.....Caucutt – Initial and renewal fees for credentials

FOR 1999-01 BUDGET — NOT READY FOR INTRODUCTION

1 **AN ACT ...; relating to:** the budget.

Analysis by the Legislative Reference Bureau

OCCUPATIONAL REGULATION

In its biennial budget request, the department of regulation and licensing (DORL) must recalculate its administrative and enforcement costs attributable to the regulation of each of the occupations and businesses that DORL regulates and, on the basis of these costs, recalculate the fees for initial credentials and for the renewal of credentials already issued. This bill changes the fees for initial and renewal credentials, except for renewal credentials for aesthetics schools, barbering or cosmetology schools, cemetery authorities, cemetery preneed sellers, cemetery salespersons, charitable organizations, electrology instructors, electrology schools and manicuring schools.
