**From:** Jennifer Sajna (6-8219)

**Subject:** 1999-01 Biennial Budget Drafting Requests

I have several additional drafting requests for the 1999-01 biennial budget. They include:

- TAY 1) **Treatment of Child Support Payments under W-2** – Under proposed federal regulations, states can only count the state's share of any child support passed through to a recipient towards the Maintenance of Effort requirement, if it does not affect the person's eligibility for the TANF program. Given this, please modify s.49.145(3)(b) to exclude child support payments in the calculation of income for purposes of eligibility for the W-2 program.
- RJK 2) **Social Security Numbers on the Lien Docket** – Attached is a new DWD request.
- TAY 3) **Credit Assistance** – Modify s.49.143 (2)(cr) to read "Provide or contract with another agency to provide budgeting and financial planning, including credit establishment, training to participants". Delete the rest of that paragraph and the related allocation under s.49.175.
- TAY 4) **Child Care Eligibility**– Modify the initial eligibility standard in s.49.155(1m)(c)1 from 165% to 185% of the federal poverty line, s.49.155(1m)(b)3 to remove the asset test and s.49.155(1m)(a) to cover disabled children, as defined by the department, ages 13 to 18.
- TAY 5) **TANF allocations (49.175)** – I still don't have numbers on these (or child care) but I do know that we will be eliminating the following separate allocations – s.49.175(a), (cr), (e), (d), (j), (q), (s), and (v).

**Modifications to drafts already submitted:**

- RJK 1) **Insurance Company Disclosure** – Amend s.49.475 to require DHFS to share the information received from the insurance companies with DWD.
- TAY 2) **Public Assistance Collections** – Allow DWD to use "UI"-type collection methods only for overpayments that did not result from an agency error.

Please have the drafters call me if they have any questions. Thanks.

WISCONSIN WORKS

Under current law, a contract to operate as a Wisconsin works (W-2) agency must contain certain requirements of the W-2 agency. One requirement is that the W-2 agency provide, or contract with another person to provide, credit establishment and credit repair assistance to W-2 participants. Currently, the W-2 agency must submit to the secretary ~~of the department~~ of workforce development ~~the~~ a plan for the provision of that assistance. The secretary, in turn, must submit that plan to the joint committee on finance (JFC) for review. The plan may not be implemented unless JFC has approved the plan, either explicitly, or through a passive review process under which ~~cochairpersons~~ <sup>the</sup> of JFC have 14 days in which to notify the ~~secretary~~ secretary that JFC intends to review the plan, or the plan is considered approved. Additionally, under current law, ~~DWD~~ may allocate not more than \$3,000,000 annually for credit assistance to W-2 recipients in the city of Milwaukee.

Under this bill, rather than requiring credit ~~establishment~~ <sup>establishment</sup> and credit repair services, a W-2 agency contract must require that the W-2 agency provide, or contract with another to provide, budgeting and financial planning services. The bill eliminates review of a W-2 agency's plan to offer such services. The bill also eliminates the allocation for credit establishment and credit repair services offered to W-2 participants in the city of Milwaukee.
