Subject: Draft for Governor's 1999-2001 Budget Bill --
Board of Commissioners of Public Lands

Please draft the following for inclusion in the Governor's 1999-2001 budget bill:

Change the Board's appropriation under s.20.507 (1)(h) so that 90% of the amounts deducted from the gross receipts of the appropriate funds is appropriated (credited?) here and available for the general program operations of the board.

Create a separate appropriation under s.20.507 (1) to which 10% of the amounts deducted from the gross receipts of the appropriate funds is credited. This amount is to be transferred to the general fund as payment for administrative services provided by other state agencies. (This would replace language in s.20.507(1)(h) relating to the transfer to the general fund.)

Thanks.

Subject: Draft for Governor's 1999-2001 Budget Bill --
Board of Commissioners of Public Lands

Create a separate appropriation under s.20.507 (1) to which 10% of the amounts deducted from the gross receipts of the appropriate funds is credited. This amount is to be transferred to the general fund as payment for administrative services provided by other state agencies. Please title this appropriation "Payment for administrative services."

The existing appropriation s.20.507(1)(h) would remain and 90% of the amounts deducted from the gross receipts of the appropriate funds would be credited here.

In addition, include language in ch. 24 requiring the Board to reimburse the general fund for administrative costs as appropriated in the new 20.507(1) appropriation.

Thanks.

11/15/98 per Sherrie Revised Instructions

- ① Create substantive duty in ch. 24 for BCPL to reimburse DOA for administrative costs.
- ② All proceeds go to 20.505(1)(h), not 90%.

Under current law, 90% of the gross receipts that are derived from the investment of the common school fund, the normal school fund, the university fund and the agricultural college fund (collectively, the "trust funds") ~~is~~ credited to the general program operations appropriation of the board of commissioners of public lands (BCPL). Of this 90%, a set amount (\$1,170,300 in fiscal year 1997-98 and \$813,400 in fiscal year 1998-99) may be used to fund the general program operations of BCPL and the remainder is transferred to the appropriate trust fund. The other ~~10%~~ ^{is} 10% of the gross receipts of the trust funds remain ~~in~~ ^{step} in the general fund. This bill provides that all of the gross receipts that are derived from the investment of the trust funds must be credited to the general program operations of BCPL, to either be used to fund the general program operations of BCPL or be transferred to the appropriate trust funds. In addition, the bill requires BCPL to reimburse the department of administration (DOA) for all administrative services provided by DOA to BCPL.
