Becky,

Please remove the delayed effective date for the following LRB drafts:

LRB 1241/P1  
LRB 1242/P1

Also, please modify LRB 1242/P1 to allow the gaming revenues to be used for nonpoint cost-sharing assistance. The intent is to focus funds on meeting signed cost-share agreements with farmers who are installing best management practices, not to provide counties with more local assistance grant funds.

Let me know if you have any questions.

Thanks,

Kirsten

Becky,

In reference to Dave's question below, can this appropriation be drafted to provide these funds only to the Oneida Nation? Also, is there a problem in that you gave both appropriations receiving Indian gaming revenues for nonpoint source activities the same title (but a different alpha)?

Thanks,

Kirsten
