AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

✓ NATURAL RESOURCES ✓

✓ FISH, GAME AND WILDLIFE ✓

This bill changes the fees charged by the department of natural resources (DNR) for certain fish and game approvals. For hunting and trapping approvals, the bill increases the fees for all resident hunting licenses except small game hunting licenses issued to senior citizens, to minors aged 12 to 17 and to certain members of the armed forces. The bill increases the fees for all nonresident hunting licenses. The bill also increases the fees for trapping licenses, bonus deer hunting permits and wild turkey hunting stamps. The bill decreases the fee for pheasant hunting stamps.

For fishing approvals, the bill increases the fees for resident annual fishing licenses and fishing licenses issued jointly to resident married couples. The bill increases the fees for all nonresident fishing licenses except ^{two} 2-day sports fishing licenses. The bill increases the fee for sturgeon spearing licenses. The bill decreases the fees for ~~the~~ inland waters trout stamp and ~~the~~ Great Lakes trout and salmon stamp.

For other licenses, the bill increases ^{approvals} the fees for resident and nonresident sports licenses and resident and nonresident conservation patron licenses. Sports licenses and conservation patron licenses are licenses that confer a combination of privileges authorized by certain hunting and fishing licenses and stamps. The bill also increases the fees for certain duplicate licenses, including small game hunting licenses and wild turkey hunting licenses.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

This bill changes the fees charged by the department of natural resources (DNR) for certain fish and game approvals. For hunting and trapping approvals, the bill increases the fees for all resident hunting licenses except small game hunting licenses issued to senior citizens, to minors aged 12 to 17 and to certain members of the armed forces. The bill increases the fees for all nonresident hunting licenses. The bill also increases the fees for trapping licenses, bonus deer hunting permits and wild turkey hunting stamps. The bill decreases the fee for pheasant hunting stamps.

For fishing approvals, the bill increases the fees for resident annual fishing licenses and fishing licenses issued jointly to resident married couples. The bill increases the fees for all nonresident fishing licenses except two-day sports fishing licenses. The bill increases the fee for sturgeon spearing licenses. The bill decreases the fees for inland waters trout stamps and Great Lakes trout and salmon stamps.

For other licenses, the bill increases the fees for resident and nonresident sports licenses and resident and nonresident conservation patron licenses. Sports licenses and conservation patron licenses are licenses that confer a combination of privileges authorized by certain hunting and fishing approvals. The bill also increases the fees for certain duplicate licenses, including small game hunting licenses and wild turkey hunting licenses.

4 The bill also increases the fee for most duplicate hunting licenses and for duplicate fishing licenses.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
