DOA:.....Justus - Funding the physician and health care provider loan assistance programs with Indian gaming revenue (Indian gaming initiative)

2 assistance programs and making an appropriation.

*Analysis by the Legislative Reference Bureau*

**COMMERCE AND ECONOMIC DEVELOPMENT**

**ECONOMIC DEVELOPMENT**

The department of commerce (department) administers the physician loan assistance and health care provider loan assistance programs under current law. Under the programs, the department may repay up to a specified amount in educational loans on behalf of a physician, physician's assistant, nurse-midwife or nurse practitioner who agrees to practice at least 32 clinic hours per week for three years in one or more eligible practice areas, defined generally as areas in this state with shortages of certain types of health care providers. The loan repayments are funded from general purpose revenue. The bill changes the funding source to Indian gaming revenue through an annual transfer from an appropriation to the department of administration (DOA) into which Indian gaming receipts are deposited.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
