**Subject:** Drafting Instructions for the 1999-01 Budget Bill

Please draft the following item for enclosure in the 1999-01 budget bill:

Community Based Hunger Prevention Program Grants

Under s. 46.765(4) the community based hunger prevention program grants may not be awarded after June 30, 1999.

The request is to repeal s. 20.435(3)(dr), community based hunger prevention program grants. This will facilitate a clean removal of \$250,000 GPR in FY00 and FY01 from the Department of Health and Family Services' (DHFS) GPR base.

I am not requesting the repeal of s. 46.765 since s. 46.765(4) also requires DHFS to submit a report, by June 30, 2000, on the grants and hunger prevention activities. I am assuming that DHFS can have this provision repealed under remedial legislation once the report has been submitted.

If you have any questions, please contact me at 266-2288.

Under current law, the department of health and family services (DHFS) administers a grant program for agencies that conduct certain community-based hunger prevention activities. However, under current law, DHFS may not distribute grants after June 30, 1999. DHFS must submit a report by June 30, 2000, to the governor and the legislature regarding grants made and the hunger prevention activities conducted using those grants.

This bill repeals the community-based hunger prevention grant program. However, under the bill, DHFS is still required to submit to the governor and the legislature by June 30, 2000, a report regarding grants made and the hunger prevention activities conducted using those grants. *flush*
