CORRESPONDENCE MEMORANDUM

LRB 1840

STATE OF WISCONSIN
Department of Administration

Date: January 17, 1999

To: Steve Miller
Legislative Reference Bureau

JEO

From: Andrew J. Statz
DOA - State Budget Office

Subject: Non-statutory provisions for OJA-administered funding

We need to create some additional non-statutory language to direct the Office of Justice Assistance (OJA) to provide funding for items recommended in the budget. We already have similar non-statutory provisions directing OJA to provide funding for DOJ's crime labs and DNA equipment and drug prosecutors in Dane and Milwaukee counties.

This request is for the creation of non-statutory language directing OJA to fund BJIS equipment installation, BJIS operations, drug abuse programming at DOC, and DOC's information technology needs.

1) Non-statutory language for BJIS equipment installation could read:

From federal and program revenue moneys appropriated to the department of administration for the office of justice assistance under sections 20.505(6)(~~kt~~) and (pc) of the statutes, the secretary of administration shall transfer \$363,900 in fiscal year 1999-2000 and \$1,782,000 in fiscal year 2000-2001 to the appropriation account under 20.505(1)(kp) of the statutes to provide the department of administration's bureau of justice information systems with funding for equipment installation.

stats

2) Non-statutory language for BJIS operations could read:

From federal and program revenue moneys appropriated to the department of administration for the office of justice assistance under section 20.505(6)(pc) of the statutes, the secretary of administration shall transfer \$446,500 in fiscal year 1999-2000 and \$446,500 in fiscal year 2000-2001 to the appropriation account under 20.505(1)(kp) of the statutes to provide the department of administration's bureau of justice information systems with funding for general operations.

- 3) Non-statutory language for alcohol and drug abuse programming at DOC could read:

From federal and program revenue moneys appropriated to the department of administration for the office of justice assistance under sections 20.505(6)(kt) and (pc) of the statutes, the secretary of administration shall transfer \$1,000,000 in fiscal year 1999-2000 and \$1,000,000 in fiscal year 2000-2001 to the appropriation account under 20.410(1)(kx) of the statutes to provide the department of corrections with funding for alcohol and drug abuse programming.

- 4) Non-statutory language for DOC's IT could read:

From federal and program revenue moneys appropriated to the department of administration for the office of justice assistance under sections 20.505(6)(kt) and (pc) of the statutes, the secretary of administration shall transfer \$533,300 in fiscal year 1999-2000 and \$1,200,000 in fiscal year 2000-2001 to the appropriation account under 20.410(1)(kx) of the statutes to provide the department of corrections with funding for information technology.

As always, give me a call with any questions. Thanks.

I just realized that there is one more non-stat provision regarding OJA's federal and matching money.

OJA must provide \$850,800 in both years to DOJ for victim-witness reimbursements to counties. Funding sources are 20.505(6)(pb) for local assistance and the new (6)(kp) for the PA-local match. Language can draw on the template we discussed this a.m.

I hope this is not too late to be included in the yet-to-be-received-by-SBO edition of # 1840/1.

When reviewing this draft please note the following:

1. On further reflection, it seemed to make more sense to transfer the money for victim and witness services reimbursement to s. 20.455 (5) (c), stats., instead of 20.455 (5) (k), stats. Okay?

~~2.~~ The draft does not refer to the bureau of justice information systems because that subunit of DOA is not recognized in the statutes.

3. Some of the money being transferred under this draft is going into sum certain appropriations, so the ch. 20 schedule will have to reflect these transfers.
