Subject: New Appropriation for Leg Tech Serv Bureau

With the staff transition here and the always suspicious quality of teamleader backup an item for your sister bureau, LTSB, did not get sent over for drafting. That's the bad news. The good news is that it apparently already has been drafted -- it is 1999 Bill LRB-0152/3. Could you please designate this as a budget draft?

1999 BILL

1 **AN ACT to create** 13.96 (3) and 20.765 (3) (km) of the statutes; relating to:

2 installation and servicing of certain computer networking equipment by the
3 legislative technology services bureau and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill permits the director of the legislative technology services bureau, by lease agreement, to purchase and install computer networking equipment to serve facilities of state agencies that are located in the same building in which a legislative branch office is located or in an adjacent building, and to provide related maintenance and support services to such agencies. Currently, the bureau is authorized and directed to provide and coordinate information technology support and services to the legislative branch of state government only.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 SECTION 1. 13.96 (3) of the statutes is created to read:
5 13.96 (3) POWERS OF THE DIRECTOR. The director of the legislative technology
6 services bureau may, by lease agreement, purchase and install computer networking
