Under current law, the judicial council, which is composed of 21 members, reviews court procedures and policies and makes recommendations regarding the administration of the state judicial system. The ~~3~~<sup>20</sup>-person staff of the judicial commission provides staff services to the judicial council. Currently, the judicial commission investigates and makes recommendations to the supreme court about the alleged misconduct or disability of court commissioners, judges and justices. Currently, the money for operating the judicial council is included in the appropriation account for the judicial commission. This bill creates a separate general program operations appropriation account for the judicial council. ✓

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

There is no 20.655. Did you mean to create one? Or should

it be 20.665 (1) (2)? That is

where DDA put this on the schedule.

~~DA~~ Change master either to correct

20.655 to 20.665 or create ~~20.665~~

20.655 section & subsection titles etc.

~~DA~~ Tell ~~DA~~ ~~Robert~~ me <sup>which one you do</sup> so that I

can tell DDA to change the schedule,

if necessary

Thanks
