**Subject:** New Language for Tech Colleges...

Yesterday the governor deiced he'd like to give \$250,000 to Waukesha County Technical College for the development of its printing program. Hopefully this won't turn out to be too much work for you.

The plan right now is to put the money on a one-time basis into the incentive grant appropriation (20.292(1)(dc)) for FY00 and create non-stat language directing that the money go to develop the printing program at WCTC.

Do you think this will work, or is statutory language required such as the language at 38.27(2m)(d) for nursing programs?

I don't know if you Heard the Governor's speech last night, but in it he pledged \$500,000 for WCTC. The way it's going to work out is that WCTC is going to receive \$250,000 in each year. Would you mind changing the date on the appropriation from June 30, 2000 to June 30, 2001?

Thanks,  
Josh
