COMMENTS / INSTRUCTIONS

Mark —

We'll only be doing Section 2, items (1) and (2). Let me know if I can be of further help!

Best,
Steve

Section 1. 85.12 of the statutes is amended to read as follows:

85.12

(1) The department shall administer a statewide public safety radio management program. From the appropriations under s. 20.395(5)(dk) and (dq), the department may provide statewide tower site management, public safety frequency management, public safety database administration and planning services related to statewide public safety management or may contract with a third party for such services.

(2) The department shall maintain, or contract for the maintenance of, any existing communications equipment at state patrol towers and stations that is used by emergency medical services programs under s. 146.55 unless the cost of maintaining the equipment exceeds the benefits that will result from such maintenance.

Section 2. Nonstatutory Provisions.

(1) The department of administration, after consultation with all other state agencies, shall prepare a report on the privatization of state-owned or state-leased communications towers (and related structures, equipment, and property) and a plan for effectuating such report. The report shall inventory all such property ~~(including~~ *excepting towers* ~~located in the Milwaukee area~~ *technical college tower*) and set forth detailed plans and specifications for the sale or sub-lease of such property to private bidders, including but not limited to the contract terms by which the state will lease-back sufficient capacity from the buyer(s) to meet the state's current communications needs and compel the building or expansion of such communications properties to meet the state's future communications needs.

(2) Joint committee on finance review. The department of administration shall submit the report under sub. (1) to the joint committee on finance of the legislature for review under section 13.10 of the statutes, not later than June 30, 2000. After receiving the plan under sub. (1), the co-chairpersons of the joint committee on finance jointly shall determine whether the plan is complete. If the joint committee on finance meets and either approves or modifies and approves a plan submitted under sub. (1) within 14 days after the co-chairpersons determine that the plan is complete, the secretary of the department of administration shall implement the plan as approved by the committee. If the joint committee on finance does not meet and either approve or modify and approve a plan submitted under sub. (1) within 14 days after the co-chairpersons determine that the plan is complete, the secretary of the department of administration shall implement the proposed plan.
