FOR 1999–01 BUDGET — NOT READY FOR INTRODUCTION

1   AN ACT ...; **relating to:** the budget.

Analysis by the Legislative Reference Bureau
EDUCATION

OTHER EDUCATIONAL AND CULTURAL AGENCIES

Under current law, the higher educational aids board (HEAB) administers a higher education grant program for awarding grants to certain students at institutions of higher education in this state. Current law requires HEAB to promulgate rules establishing policies and procedures for determining dependent and independent student status and calculating expected parental and student contributions. In addition, current law specifies a method for HEAB to award grants to dependent students.

This bill eliminates the requirement for HEAB to promulgate the rules regarding student status and expected contributions. The bill also eliminates the method specified for awarding grants to dependent students. The bill requires instead that HEAB award grants based on a formula that accounts for expected parental and student contributions.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
