Subject: Repeal Sale of Fuel and Utilities - Vets Affairs

We have just discovered an error in our budget system which in order to be corrected requires the repeal of the appropriation under s.20.485(1)(gm), sale of fuel and utilities service. Could you please repeal this one?

Subject: deletion of another appropriation for Vets Affairs

This is an additional minor request that can be attached to the draft to delete 121, sale of fuel and utility service. (4)(a) Cemetery administration and maintainance; general fund, has \$100 for each year. The department is requesting removal of this budget authority. GPR funding for this appropriation was converted to SEG in the last budget except for this small amount, which must have been a mistake. Thanks for all of your help.
