This redraft results from proofing that was done for the budget. Although not really necessary because of the date in s. 560.06 (2) in LRB-1279/2, and because the issue is really moot at this point because payments would already have been made in fiscal years 1997-98 and 1998-99, I added "(1)" after "s. 560.06" for the allocations for s. 560.06 under s. 20.143 (1) (c) in fiscal years 1997-98 and 1998-99.
