FOR 1999-01 BUDGET — NOT READY FOR INTRODUCTION

1 AN ACT ...; relating to: the budget.

---

*Analysis by the Legislative Reference Bureau*

**ENVIRONMENT**

**AIR QUALITY**

Under current law, generally a person may not begin construction of a stationary source of air pollution without a construction permit issued by the department of natural resources (DNR). This bill authorizes DNR to issue general construction permits, each of which may cover numerous similar stationary sources of air pollution.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

---

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

2 SECTION 1. 285.60 (3g) of the statutes is created to read:

3 285.60 (3g) GENERAL CONSTRUCTION PERMITS. The department may promulgate

4 rules specifying types of stationary sources that may obtain general construction

1 permits. A general construction permit may cover numerous similar stationary  
2 sources. A general construction permit shall require any stationary source that is  
3 covered by the general construction permit to comply with ss. 285.61 to 285.69. The  
4 department shall issue a general construction permit using the procedures and  
5 criteria in ss. 285.61, 285.63, 285.65, 285.66 and 285.69.
