Boat Registration Surcharge Based on Horsepower
[Paper #675]

*ch. 25 conservation

boat registration
account*

Motion:

Tout on Finance

Move to require the Department to establish a surcharge to the nonfleet boat registration fee in administrative rule based on the horsepower of the boat's engine. Specify that, for boats under 16 feet in length, the surcharge be limited to 100% of the registration fee for such boats. In addition, require DNR to submit a request to the Committee no later than the 2nd quarterly meeting under s. 13.10 in 2000-01 (December, 2000) for additional boating safety education to be funded from the surcharge.

modified

*Per Russ -
Require DAR to promulgate a
rule re: surcharge based on
horsepower. No limit for
boats 16ft and over.*

Note:

Under current law, boat registration fees are based on the length of the boat.

*Per Russ -
Include registered
boats.*
