CIRCUIT COURTS

Family Court Counseling Fee

Motion:

Move to increase the fee charged for legal custody and physical placement study services from \$300 to \$500.

Note:

Currently, a county or two or more contiguous counties are statutorily required to provide legal custody and physical placement study services in family court actions. These studies may be ordered whenever legal custody or physical placement of a minor child is contested and mediation is not used or does not result in agreement between the parties, or at any other time the court considers it appropriate. The study includes investigating the condition of the child's home, each party's performance of parental duties and responsibilities of the child, and any other matter relevant to the best interest of the child. The county determines when and how to collect the \$300 fee for the study, and the fee is deposited into a separate county account for the exclusive purpose of providing mediation services and studies in family court actions. This motion would increase the statutory fee to \$500.
