**National Guard Tuition Grants
(Paper # 638 - Additional Alternative)**

Motion:

Move to include session law language requiring the Department of Military Affairs to submit a request under s. 13.10 of the statutes to the Committee for additional GPR funding for the tuition grant program in the event that the Department determines that funding provided for the tuition grants is likely to be insufficient to fully fund the program in either 1999-00 or 2000-01.

Note:

This motion would require DMA to request funding from the Committee through the s. 13.10 process if the Department determines that funding provided in 1999-00 or 2000-01 is likely to be insufficient to fully fund the tuition grant program for all eligible National Guard members.

Subject: DMA related actions before JFC

Hi Bob,

This email lays out the actions of the JFC from Tuesday that affect DMA and require budget drafts. In general the executive session went pretty quickly with very little discussion. DMA got pretty much what they wanted with a few slight changes. Anyways, below is what needs to be drafted and I will fax a copy of the motions or any supporting detail I mention below.

Level A - paper 635 Alternative 2 was chosen. This would delete the last sentence in s166.215(5) relating to the authorization for DMA to come in for more funding under 13.10.

Level A - Motion 226 also passed requesting the Leg. Audit Committee direct LAB to do an audit of emergency response appropriations (Level A, Level B, and emergency response supplemental).

Tuition Grant - Motion 219 passed requiring session law language to require DMA to submit a 13.10 request for additional tuition grants if they estimate the funding provided is insufficient.

DEM Reporting Requirements - Motion 311. Require DEM to adopt EPA revised reporting requirements for retail gasoline facilities. This one popped up at the last minute and apparently DEM submitted an emergency rule to the Legislature (clearinghouse 99-017) which this would alter. I will fax you the talking points put out by the Petroleum Marketers Association that were promoting this change. The person who knows a fair amount about this in DEM is Chris Bacon 242-3206.

If you have any questions, please let me know. I will fax the motions to you this morning. Thanks for your help. DW
