1995 ASSEMBLY BILL 314

April 13, 1995 - Introduced by Representatives BRANDEMUEHL, HUTCHISON, OTT, AINSWORTH, GROBSCHMIDT, FREESE, LEHMAN, SERATTI, SILBAUGH, HAHN, OWENS, GOETSCH, PLOMBON, F. LASEE, KAUFERT and GROTHMAN, cosponsored by Senator RUDE. Referred to Committee on Tourism and Recreation.

1 AN ACT *to amend* 27.01 (15) of the statutes; **relating to:** electric receptacles at
2 campsites in state parks.

Analysis by the Legislative Reference Bureau

Under current law, the ratio of campsites in state parks that have electric receptacles as compared to all campsites in state parks must be equal to or less than the ratio which existed on April 26, 1988. This bill changes this ratio to a maximum of 50%. Therefore, under the bill not more than 50% of the campsites that are located in state parks may have electric receptacles. The bill defines "state park campsite" to be one that is accessible by a vehicle.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION ^{720m} ~~27.01~~ (15) of the statutes is ^{renumbered 27.01(15)(b) and} amended to read:

4 27.01 (15) ~~ELECTRIC RECEPTACLES~~ ^(b) The department shall maintain a ratio of
5 number of state park campsites with an electric receptacle to receptacles shall be
6 maintained by the department so that not more than 50% ^{25%} of all state park campsites
7 that is equal to or less than the ratio which exists on April 26, 1988 have electric
8 receptacles. For purposes of this subsection, "state park campsite" means a campsite

and not less than 25% of all state park campsites
are rustic state park campsites

I used as a ~~model~~ model for

1. 1995 Assembly Bill 314, upon which this draft is based, defined state park campsite to only be a campsite that is accessible by vehicle. Does that concept need to be included in the definition of "state park campsite" in this draft?

#2. This draft needs a delayed effective date if currently less than 25% of the state park campsites are in rustic campgrounds.
