Green Bay Packers License Plates

60292

Motion:

Move to require DOT to establish a Green Bay Packers license plate. Specify that the fees for the license plate, in addition to the vehicle registration fee, are as follows; (a) \$15 upon issuance or reissuance of the plate; and (b) \$25 annually upon initial issuance and upon registration renewal (\$50 upon biennial registration or renewal of a motorcycle). Specify that revenue from the \$15 issuance fee would be deposited in the transportation fund. Specify that revenue from the \$25 fee, after subtracting \$35,000 for DOT's administrative costs and an amount necessary to pay licensing fees to the National Football League, would be deposited in newly-created program revenue appropriation for the Boys and Girls Clubs of Wisconsin. Specify that the \$25 fee is a tax deductible contribution.

Specify that these provisions would first apply five months following the effective date of the bill.

SENATE BILL 36

species pay an additional annual fee as a tax deductible contribution to the UW System or to the endangered resources program administered by the department of natural resources.

This bill establishes an authorized special group for persons interested in obtaining special distinguishing registration plates expressing their support of the Green Bay Packers, a professional football team. Special group plates related to the Green Bay Packers may not be issued by DOT unless any approvals that are required for use of an applicable logo, trademark, trade name or commercial symbol designating the team have been obtained.

In addition to the regular vehicle registration fee, the special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and an additional \$25 annual fee as a tax deductible contribution that, after payment of certain data processing and licensing fee costs, provides funds in equal amounts to D.A.R.E. Wisconsin, Ltd., a nonprofit corporation, for programs and activities relating to drug abuse resistance education and for the payment of marketing costs relating to the special group plates, to Boys and Girls Clubs of Wisconsin, to UW Children's Hospital and Clinics and to Children's Hospital of Wisconsin, Inc. Under the bill, D.A.R.E. Wisconsin, Ltd., is required to annually submit an audited financial statement of its use of the funds received from these tax deductible contributions. Funding to D.A.R.E. Wisconsin, Ltd., is discontinued if the nonprofit organization dissolves or loses its tax-exempt status under federal law.

Current law also prohibits enumerating special group license plates by legislative action. Instead, members of special groups desiring a special group license plate must apply to DOT for designation. This bill creates an exception to this administrative process.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
