FROM THE  
LEGISLATIVE REFERENCE BUREAU

LRBb0293/1dn

ISR: [signature]

May 25, 1999

Jon Dyck:

Please note that this amendment will require DOT to repeat any mistakes made by another jurisdiction in identifying the make and model of a vehicle. Is this your intent?

Also, under section 342.06 (b), stats., an applicant for a certificate of title is required to include in the application a description of the make and model of the vehicle. Under this amendment, the applicant's description of the vehicle must include the correct make and model of the vehicle because section 342.06 (2) stats. that the applicant ~~is prohibited from making false statements on the application.~~ Is this your intent? Do you want the applicant to include the make and model of the vehicle as listed on the other jurisdiction's certificate of title regardless of whether the make and model are correct? ~~they are~~ ~~that~~

Please review this amendment carefully to make sure it reflects your intent. If you have any questions or comments, please do not hesitate to contact me.
