David Schug:

This is the redraft of the big nonpoint source package. Please note that I did not add planning as an authorized use of the grants under s. 92.14 (3) because the "1" version of the draft included planning in s. 92.14 (3) (intro.).

I was unsure about how much of the rest of s. 281.66 should apply to grants under s. 281.65 (8d), renumbered s. 281.66 (6) in the draft. As drafted, the grants to the UW would be subject to the scoring system.

Please let me know if you have questions or redraft instructions.
