Senator Burke

AGRICULTURE, TRADE AND CONSUMER PROTECTION

Consumer Protection Assessment Revenue Cap
[Page 102, Item #20]

Motion:

Move to approve the Governor's recommendation. In addition, require that any revenue received that exceeds \$85,000 annually, be deposited in the general fund.

*See 100.261 (3),
created in
budget bill*

Note:

If the state collected significantly higher than average fines and forfeitures from violations relating to consumer protection in a year, any amount over \$85,000 would be deposited to the general fund rather than to the DATCP PR account. Allowing the Department to collect up to \$85,000 annually while the annual appropriation (expenditure authority) is \$75,000 would allow for some annual variability in revenue (some years may be lower than \$75,000) while maintaining a sufficient account balance to fund appropriated levels.
