MOTION 601

TEACH BOARD

Rulemaking for Training and Technical Assistance Grant Program

Motion:

Move to require that the TEACH Board promulgate rules, using an emergency rulemaking process, to specify the administrative procedures, eligibility and application requirements, and funding criteria for the training and technical assistance grant program. Provide that the TEACH Board could promulgate the initial rule for this purpose as an emergency rule, without having to provide evidence of the necessity of preservation of the public peace, health, safety or welfare. Specify that the emergency rule would be subject to approval or disapproval by the Joint Committee on Information Policy (JCIP) under a 14-day passive review process.

Note:

This motion would establish a rulemaking process for the training and technical assistance grant program that was included in the 1997-99 budget bill as passed by the Legislature, but vetoed by the Governor.
