Subject: JFC PSC action

Hi Mark

I am finally getting around to sending you the budget drafts we need to implement what the JFC decided on PSC. The following are the changes to the Governor's budget that were approved. Any supplemental materials I mention, such as motions, I have faxed to you.

USF Part 1

1. Assistance to institutions. Option 2 was selected. This option deletes everything from LRB draft 1950/4 except section 3 that repeals 196.218(5)(a)3. Note the amendments below.

2. Motion 608 - by Rep. Huber passed and requires a statutory enumeration for a new program for nonprofit medical clinics and public health agencies. Note the dollar cap at \$500,000 annually. I will also send you an April 19 letter to the committee that may give you additional context.

USF Part 2 - Choose current law but locked up year two funding into the Committees appropriation.

3. Motion 191 - Enumerate the Newsline program as a USF program. The dollar amounts should be in session law but the eligibility of Newsline to be funded from the USF is to be statutory.

4. Motion 187 - Require PSC to annually provide all W2 organizations, as identified by DWD with information on the existence of the PSC programs and how assistance can be obtained.

If you have any questions, let me know. Thanks DW 6-9915.

PUBLIC SERVICE COMMISSION -- UNIVERSAL SERVICE FUND

PSC Coordination with W-2 Agencies

Motion:

Move to require that the PSC annually provide all W-2 agencies, as identified by the Department of Workforce Development, with information about the existence of all the current USF programs that are available to low-income individuals served by these agencies and how assistance under those programs may be obtained by these individuals.

*W-2 works agency
as defined in 49.001 (9)*

Note:

This motion would require PSC to annually inform W-2 agencies of the USF funded programs operated by the PSC that are available to those low-income individuals who are served by these agencies.
