Senator Decker
Representative Huber

JUSTICE

Wausau Crime Lab Expansion Study

Motion:

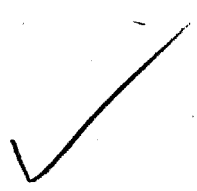

Move to direct the Department of Administration to perform a study, to be completed by December 31, 1999, of the feasibility of expanding the Wausau crime lab, including the development of a plan to house a proposed DNA/serology unit.

Note:

In its budget request, the Department of Justice (DOJ) requested funding and 2.0 serologist positions to staff a DNA/serology unit to be created in the Wausau crime lab. The positions and funding were not provided in AB 133. The Wausau crime lab is a leased facility. A DNA/serology unit at the Wausau crime lab cannot become operational until the lab is expanded to provide the space necessary for the unit. Under this motion, the Department of Administration would be directed to study the feasibility of expanding the Wausau crime lab, as well as develop a plan to house the proposed DNR/serology unit.
