Paper #665

Beaver Control Appropriation Lapse (DNR -- Fish and Wildlife)

[LFB 1999-01 Budget Summary: Page 419, #3]

CURRENT LAW

Base funding of \$100,000 is available for beaver control and removal activities in a continuing appropriation in the fish and wildlife account of the conservation fund.

GOVERNOR

Lapse \$352,000 from the continuing balance of the recreational boating projects aids appropriation to the overall balance of the fish and wildlife account.

MODIFICATION

Lapse \$352,000 from the continuing balance of the beaver control appropriation to the overall balance of the fish and wildlife account.

Explanation: While the bill directs that the funding be lapsed from the recreational boating projects aids appropriation, the Executive Budget Book indicates that the funding should be lapsed from the beaver control appropriation. This modification would accomplish the Governor's intent.
