p. LFB Paper #174. Delete the Governor's recommendation regarding: (a) provide a one-time transfer of \$2,500,000 from tribal gaming revenues to the WDRF specifically for a loan guarantee program to provide up to \$200,000 or 100% guarantee of loans for small businesses located in a county or adjacent to a Wisconsin county with a casino; and (b) allow WHEDA to provide interest subsidies by paying the lender an annual amount of up to 3.5% of the outstanding loan balance.

q. Move to create a management assistance grant program, administered by DOA, to provide financial assistance to counties to fund public safety, public health, public infrastructure, public employee training and economic development expenditures. Provide that grants be provided, subject to the availability of funds, to counties that meet the following criteria: (1) the county does not contain any incorporated municipalities; (2) the county has a geographic area of less than 400 square miles; (3) the county submits a detailed expenditure plan that identifies how the funds are proposed to be expended and how those expenditures meet the program's goals; and (4) the county maintains its financial records in accordance with accounting procedures established by DOR. Establish the grant amount for each eligible county at \$500,000, annually. Create an appropriation to make grants under the program. Place \$1,000,000 in tribal gaming revenues in the PR appropriation of the Joint Committee on Finance to be transferred under s. 13.10 to the management assistance grant program appropriation upon request by DOA and a finding that a county has met the eligibility criteria of the grant program.

r. Provide \$250,000 PR annually and create a county law enforcement grant program, to be administered by the Office of Justice Assistance (OJA) under which counties may receive no more than \$50,000 annually. Provide that counties that fulfill all of the following requirements would be eligible to receive funds: (a) the county borders a federally-recognized Indian reservation in Wisconsin; (b) the county does not receive a grant from the Department of Justice's cooperative county-tribal law enforcement program for each of the tribes that border the county; (c) the county demonstrates a need for law enforcement services; and (d) the county submits a plan to OJA that shows how the county would use the grant monies for law enforcement services.

Note:

[Change to Bill: -\$3,150,000 GPR, \$37,000 GPR-Lapse, \$100,000 SEG, \$1,000,000 SEG-REV and \$4,468,000 PR and -0.5 PR positions]
