HEALTH AND FAMILY SERVICES -- MEDICAL ASSISTANCE

CARES System Changes

*Client assistance for reemployment and
Economic support*

Motion:

Non-871
Move to require DHFS and DWD to develop a plan that would make improvements to the CARES system such that individuals who apply for more than one public assistance program can have their eligibility determined for each program independent of their eligibility determinations for the other programs. Require DHFS and DWD to submit this plan to the Joint Committee on Finance by November 1, 1999. In addition, require counties to provide outstationed MA eligibility workers the necessary security clearance to review and update information on existing records in the CARES system that have been assigned to other caseworkers.

*County income maintenance workers
who determine elig. @ location other than at a ~~county~~ ^{state} ~~county~~
human or soc. svc office who are authorized to use
CARES*

Note:

Under the motion, DHFS and DWD would be required to submit a plan for modifying the CARES system to the Joint Committee on Finance by November 1, 1999. This plan would outline system modifications that would allow individuals to have their eligibility for public assistance programs determined independently within the CARES system. In addition, counties would be required to provide outstationed MA eligibility workers with the necessary security clearance to review and update information on active CARES cases, regardless of whether the outstationed worker is the worker assigned to the open case.
