<END>

funding for WIC by \$500,000 GPR annually.

56. LFB Paper #1109. Alternative 4. Maintain current law (eliminate funding for workforce mentors).

57. LFB Paper #1110. Alternative B2. Maintain current law by providing \$52,000 GPR annually in the Department of Employee Relations for one state recruiter position and deleting \$52,000 of monies to be allocated the transfer of federal TANF monies.

58. LFB Paper #1110. Modify the Governor's proposal relating to funding for Head Start by providing \$3,712,500 GPR annually and decreasing TANF funding by \$6,187,500 PR annually in the Department of Public Instruction for the program. This would provide annual funding of \$3,712,500 GPR and \$3,712,500 PR for the Head Start program. Provide \$825,000 GPR annually for equalization aid in order to maintain two-thirds funding of partial school revenues.

59. LFB Paper #1111. Alternative 1. Delete \$6,160,000 PR annually and provide \$6,160,000 GPR annually for MPS full-day kindergarten and first grade programs. Maintain the current law statutory language related to full-day kindergarten and first grade programs.

60. LFB Paper #1112. Alternative 6. Maintain current law: (Delete \$5,00,000 in TANF funds annually for brownfields grants)

61. LFB Paper #1113. Alternative 2. Modify the Governor's recommendations by reducing GPR funding budgeted for the Board by \$1,900 annually and provide an additional \$1,900 PR annually so that 80% of the Board's projects and state operations would be funded with TANF funds transferred from DWD. Modify the federal TANF appropriation in DWD by a corresponding amount. Retain the current GPR appropriation for grants and create an interagency and intra-agency PR appropriation for the Board's operations. Convert 1.2 GPR positions to PR positions, beginning in 1999-00.

DMA
62. LFB Paper #1114. Alternative 2. Increase GPR funding by \$299,400 in 1999-00 and by \$249,500 in 2000-01 and decrease TANF funding by \$299,400 in 1999-00 and by \$249,500 in 2000-01 to reflect providing TANF funding for 10% of the recruit class in 1999-00 and for 25% of the recruit class in 2000-01. Also, modify the Governor's proposed statutory language to direct DMA to recruit a certain percentage of TANF-eligible recruits based on the annual funding level provided from TANF instead of requiring all recruits to be from TANF-eligible families.

63. LFB Paper #1115. Alternative 1. Provide \$1 million annually in federal TANF funding to support immunization education and outreach activities. Specify that these funds would be transferred from DWD to DHFS to be distributed under the IAP contract using the existing IAP distribution formula.

64. Transfer \$975,000 FED in 1999-00 and \$1,000,000 FED in 2000-01 in federal TANF funding from DWD to DHFS for domestic violence services for families whose income is at or below 250% of the federal poverty level. Require DHFS to distribute funding to organizations as
