17 **SECTION 3i.** 13.48 (30) of the statutes is created to read:

18 13.48 (30) DEBT INCREASE FOR CONSTRUCTION OF A DENTAL CLINIC AND EDUCATION
19 FACILITY AT MARQUETTE UNIVERSITY. (a) The legislature finds and determines that it
20 is in the public interest to promote the health and well-being of residents of this state
21 by ensuring the availability of a sufficient number of dentists to meet the needs of
22 residents of this state; it is in the public interest, advantage and welfare to ensure
23 the continued availability of dental education in this state; and Marquette
24 University operates the only dental school in this state. It is, therefore, the public

1 policy of this state to assist private institutions in this state, including Marquette
2 University, in the construction of facilities that will be used to provide dental
3 education.

4 (b) The building commission may authorize up to \$15,000,000 of general fund
5 supported borrowing to aid in the construction of a dental clinic and education
6 facility at Marquette University. The state funding commitment for the construction
7 of the facility shall be in the form of a construction grant to Marquette University.
8 Before approving any state funding commitment for such a facility and before
9 awarding the construction grant to Marquette University, the building commission
10 shall determine that all of the following conditions have been met:

11 1. Marquette University has secured additional funding commitments of at
12 least \$15,000,000 from nonstate revenue sources, the nonstate revenue sources are
13 reasonable and available and the total funding commitments of the state and the
14 nonstate sources will permit Marquette University to enter into contracts for the
15 construction of the dental clinic and education facility.

16 2. The dental clinic and education facility will not be used for the purpose of
17 devotional activities, religious worship or sectarian instruction.

18 3. No religious instruction shall be required as a condition for admission to, or
19 graduation from, the Marquette University School of Dentistry.

20 (c) If the building commission authorizes a construction grant to Marquette
21 University under par. (b), Marquette University shall provide the state with an
22 option to purchase the dental clinic and education facility under the following
23 conditions:

24 1. The option price shall be the appraised fair market value at the time that the
25 option is exercised, less a credit recognizing the amount of the state's construction

1 grant. The option shall be subject to any mortgage or other security interest of any
2 private lenders.

3 2. The option may be exercised only upon the occurrence of any of the following:

4 a. Suspension of operation of a program of dental education at Marquette
5 University or any successor organization.

6 b. Foreclosure of the mortgage by a private lender.

7 (d) If the state does not exercise the option to purchase the dental clinic and
8 education facility, and if the facility is sold to any 3rd party, any agreement to sell the
9 facility shall provide that the state has the right to receive an amount equal to the
10 construction grant under par. (b) from the net proceeds of any such sale after the
11 mortgage has been satisfied and all other secured debts have been paid. This right
12 shall be paramount to the right of Marquette University to the proceeds upon such
13 sale.

4 a. Suspension of operation of a program of dental education at Marquette
5 University or any successor organization.

6 b. Foreclosure of the mortgage by a private lender.

7 (d) If the state does not exercise the option to purchase the dental clinic and
